THE LITTLE RECYCLERS TEAM

# THANK YOU

The PTA Team wanted to send out a special shout out to the community for your continued support and engagement. We really appreciate you.

Because of your generosity, we have managed to raise **£353** through our last 2 second hand uniform sales. This is a spectacular amount, considering that most items are charged at £1 or similar for bundles. **A special thank you to the team** that run these sales.

People can sometimes forget that this service is run by volunteers. Please can we ask our community to be considerate when going through the uniforms and leave the items you don't purchase as you found them. Preparation of the sales is a thankless task that requires hours of sorting, tidying and selling.

Thank you to everyone that contributed towards the Little recyclers clothes collection drive. We managed to raise **£161.55** through your generosity.

# MARIA'S GARDEN

Work on **Maria's Garden** is well underway, and we are beyond grateful for your engagement and continued support of the project.

We have had external contractors sponsor an incredible sum of money towards labour and materials to develop the beautiful foundations, and our community have been exceptional, sponsoring a third of the plants so far. Thank you to all of you.

There are plenty of grasses, ferns and perennials left to sponsor. The taller grasses will provide a backdrop to the seating area, while the shorter ones will have perennial flowers mixed in with them and are an essential part of a sensory garden. The ferns will offer evergreen colour in the shadier areas as well. Maria's favourite colour was green, so we want lots of it!

We continue in our fundraising and sponsorship efforts to support the ongoing development of the garden and ask those who would still like to contribute towards the development to get involved.

**How to sponsor a plant** - we have a list of preselected plants that are available for you to 'sponsor'. Prices range from £4.26 to £48 per plant. [Sign-up via the Google form](#)
