Wrapping up 2025...

It has truly been a brilliant term, packed full of events and activities that brought everyone together and managed to raise an **incredible £9,500** for our school.

This term also saw the introduction of new and exciting events to our calendar, which were met with such positivity and helped us reach even more families. It's been wonderful to see our community come together in so many different ways.

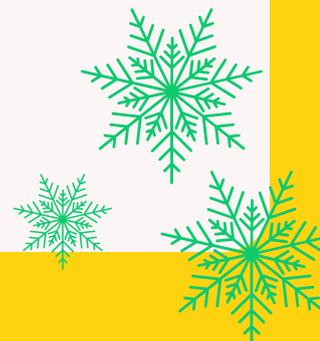

A **huge thank you** must go to our fantastic committee, volunteers, bakers and coordinators, whose hard work often happens behind the scenes. From planning and organising to baking, setting up, manning stalls, and clearing away, your time, energy and commitment make all the difference. Without you, these events simply wouldn't happen. You are all brilliant, and we really appreciate everything you do to support the school.

In 2026, we hope to continue developing and delivering new and exciting events to engage our friends, families and wider community, building on the success of this last term and making Poplar Primary School an even more vibrant and inclusive place for everyone.

Wishing you all a very Merry Christmas and a happy and safe festive break filled with love, laughter and many blessings.
